ABOUT OUR MONTHLY CLASSES:

Elliott's Chess School is designed for more personalized instruction with smaller class sizes than after school chess clubs.

Each student receives a chart of accomplishment to track progress, earning recognition as he/she demonstrates understanding of the elements at each level. These classes follow the curriculum developed by NM Elliott Neff, working from basic to advanced topics through the six levels of Pawn, Knight, Bishop, Rook, Queen, and King.

POLICY: 24hr advance notice to reschedule a class. Make-up classes in same month only. No refunds.

Classes will be added based on need. Please email redmond@chess4life.com to request a class.

First time students may need an assessment to determine class placement. Assessments are \$35 and need to be scheduled in advance. Please fill in the assessment request form on Chess4Life.com or contact our office to request an assessment.

To register, fill out the form below. Questions? Call **425-283-0549**.
