## Improve your game with chess camps at Chess4Life!

This past year, we were considering a family move. In the end, we chose Seattle. Our two sons would be leaving their friends and family, the move to Seattle was going to be difficult and they both expressed feeling sad about our choice. Then, I remembered Chess4Life. I knew the boys loved the camp last year and missed your school when in Boston and Beijing. I told them, "Boys, remember Chess4Life, you will now be able to go more often and play there." Honestly, both boys cheered enthusiastically and I knew all would work out. You have a wonderful camp and as a parent, it is heartwarming to see my kids enthusiastic and content after a day of chess. I am looking forward to this coming year and I know both of my boys are as well. - Diane T.
